In the North Region, we attempt to assign no more than one judge from a school to a competition area, provided that there are at least three judges for the category. To facilitate this effort, we have listed the rooms in which judges are needed. Please list judges beside the room to which you would like them assigned. For some competition areas, multiple judges from the same school are not a problem and are needed. You may list as many qualified people as are available in those areas. Please also list additional judges who can help as needed. Please write a brief note about qualifications as well.
