## Memo:

To: AACCS School Administrators  
Re: REDUCED Scoring Costs for SAT 10 Testing in 2012!

November 15, 2011

Dear AACCS School Administrator:

Annual achievement testing is one of the best things you can do for your students and teachers. It is a vital tool in the continual process of assessing the needs of your students and the best approaches to meeting those needs. I hope you are planning to participate in the SAT 10 testing program that the AACCS puts together each year to assist our member schools.

### **REDUCED SCORING COSTS HAVE BEEN NEGOTIATED FOR 2012 TESTING!**

A new basic package of scoring services has been negotiated for the AACCS program. Savings on scoring services will be more than 20%. The new basic package of scoring services will include a Student Report with Clusters, a Group Report with Clusters, a Master List of Test Results, a Master List Summary, a Student Record Label, and an OLSAT8 Summary Report. Note that a Student Report with Narrative will no longer be included in the basic package. Schools may choose to add that as an optional report or may copy the Student Report with Clusters for school records and use the original Student Report for a home report.

### **Scoring Cost Summary: Savings of more than \$2.25 per student!**

Booklet or Answer Document	2011 Cost	Reduced 2012 Cost
Grades K-3 Test Booklet (answers in booklet)	\$12.14	\$9.85
Grades K-3 Test Booklet with OLSAT8	\$14.89	\$12.46
Grades 4-12 Answer Document	\$10.14	\$7.90
Grades 4-12 Answer Document with OLSAT8	\$12.10	\$9.85

### **Pearson Education will provide order forms to the AACCS and we will post them on our website by January 3.**

All member schools will receive an email and a password for accessing the forms. This should significantly streamline the process of receiving your forms. There will not be a mechanism for ordering online, but you will be able to print order forms and return them to Pearson by mail or fax beginning January 3. We will be happy to mail a print version of forms to any school that is unable to download and print the forms from our web site. Just call our office for assistance beginning January 3.

Sincerely,

Jeff Walton  
AACCS Executive Director
