

Commonwealth of Virginia
Office of the Governor

Executive Order

AMENDED NUMBER 63 (2020)

AMENDED ORDER OF PUBLIC HEALTH EMERGENCY FIVE REQUIREMENT TO WEAR FACE COVERING WHILE INSIDE BUILDINGS

Importance of the Issue

The Commonwealth of Virginia continues to respond to the novel coronavirus (COVID-19) pandemic. We must remain vigilant. Science shows us that face coverings can help stop the spread of the virus. That is why the Centers for Disease Control and Prevention (CDC) recommends wearing cloth face coverings, even those made from household items or common materials in public settings. I strongly urge all Virginians to wear face coverings when leaving their homes. But as to indoor settings to which the public has access, mere encouragement is not enough to protect the health and safety of Virginians. **Therefore, Executive Order 63, issued in May, required face coverings to be worn in certain indoor public spaces. Now, as we continue to prioritize the health and safety of our students, educators, and school staff, additional requirements to wear face coverings are necessary.**

Therefore, by virtue of the authority vested in me by Article V of the Constitution of Virginia, by § 44-146.17 of the *Code of Virginia*, by any other applicable law, and in furtherance of Amended Executive Order 51, and by virtue of the authority vested in the State Health Commissioner pursuant to §§ 32.1-13, 32.1-20, and 35.1-10 of the *Code of Virginia*, the following is ordered:

Directive

A. Face Coverings Required-Patrons and Visitors

All individuals in the Commonwealth aged **five** and over shall, when entering, exiting, traveling through, and spending time inside the settings listed below, cover their mouth and nose with a face covering, as described and recommended by the CDC:

1. Personal care and personal grooming businesses, including but not limited to, beauty salons, barbershops, spas, massage centers, tanning salons, tattoo shops, and any other location where personal care or personal grooming services are provided.
2. All brick and mortar retail businesses, including both essential and non-essential brick and mortar retail businesses, as delineated in **Sixth Amended Executive Order 67 and Amended Order of Public Health Emergency Seven (2020)**.
3. Food and beverage establishments, including but not limited to, restaurants, dining establishments, food courts, breweries, microbreweries, distilleries, wineries, tasting rooms, and farmers' markets.
4. Entertainment or recreation businesses, including but not limited to, racetracks, historic horse racing facilities, theaters, performing arts centers, concert venues, museums, and other indoor entertainment centers, bowling alleys, skating rinks, arcades, amusement parks, trampoline parks, fairs, arts and craft facilities, aquariums, zoos, escape rooms, public and private social clubs, and all other places of indoor public amusement. Face coverings shall also be required when patrons are outdoors at these businesses if a distance of six feet from every other person cannot be maintained.
5. Train stations, bus stations, and intrastate public transportation, including buses, rideshares, trains, taxis, and cars for hire, as well as any waiting or congregating areas associated with boarding public transportation. This requirement shall not apply in any area under federal jurisdiction or control.
6. Any other indoor place shared by groups of people who are in close proximity to each other. This restriction does not apply to persons while inside their residence or the personal residence of another. Face coverings may be removed to participate in a religious ritual.
7. State or local government buildings when accessed for the purpose of securing public services.

B. Face Coverings Required-Employees of Essential Retail Businesses

All employees of essential retail businesses as listed in **Sixth Amended Executive Order 67 and Amended Order of Public Health Emergency Seven (2020)**, Section C, paragraph 1 shall wear a face covering whenever working in customer facing areas. **Sixth Amended Executive Order 67 and Amended Order of Public Health Emergency Seven (2020)** is so further amended.

C. Enforcement

The Virginia Department of Health shall have authority to enforce this Order. Any willful violation or refusal, failure, or neglect to comply with this Order, issued pursuant to § 32.1-13 of the *Code of Virginia*, is punishable as a Class 1 misdemeanor pursuant to § 32.1-27 of the *Code*

of Virginia. The State Health Commissioner may also seek injunctive relief in circuit court for violation of this Order, pursuant to § 32.1-27 of the *Code of Virginia*. No minor shall be subject to criminal penalty for failure to wear a face covering. Adults accompanying minors should use the adult's best judgment with respect to placing face coverings on a minor between the ages of two through **four** while inside the public areas noted above. Adults accompanying minors age **five** through 18 shall use reasonable efforts to prompt the minor to wear face coverings while inside the public areas noted above.

Medical-grade masks and personal protective equipment should be reserved for medical personnel. The use of cloth face coverings does not replace the need to maintain six feet of physical social distancing, clean and disinfect frequently touched surfaces routinely in all public settings, stay home when sick, and practice frequent handwashing.

D. Exceptions

The requirement to wear a face covering does not apply to the following:

1. While eating or drinking;
2. Individuals exercising or using exercise equipment;
3. **Any person who is playing a musical instrument, when wearing a mask or face covering would inhibit the playing of the instrument (e.g. wind instrument), if at least 10 feet of physical distancing can be maintained from other persons, whether the rehearsal or performance is indoors or outdoors.**
4. Any person who has trouble breathing, or is unconscious, incapacitated, or otherwise unable to remove the face covering without assistance;
5. Any person seeking to communicate with the hearing impaired and for which the mouth needs to be visible;
6. When temporary removal of the face covering is necessary to secure government, or medical services;
7. Persons with health conditions **or disabilities** that prohibit wearing a face covering. Nothing in this Order shall require the use of a face covering by any person for whom doing so would be contrary to his or her health or safety because of a medical condition. **Adaptations and alternatives for individuals with health conditions or disabilities should be considered whenever possible to increase the feasibility of wearing a mask or to reduce the risk of COVID-19 spreading if it is not possible to wear one.**

Any person who declines to wear a face covering because of a medical condition shall not be required to produce or carry medical documentation verifying the stated condition nor shall the person be required to identify the precise underlying medical condition.

E. Department of Labor and Industry

Except for paragraph B above, this Order does not apply to employees, employers, subcontractors, or other independent contractors in the workplace. The Commissioner of the Virginia Department of Labor and Industry shall promulgate emergency regulations and standards to control, prevent, and mitigate the spread of COVID-19 in the workplace. The regulations and standards adopted in accordance with §§ 40.1-22(6a) or 2.2-4011 of the *Code of Virginia* shall apply to every employer, employee, and place of employment within the jurisdiction of the Virginia Occupational Safety and Health program as described in 16 Va. Admin. Code § 25-60-20 and Va. Admin. Code § 25-60-30. These regulations and standards must address personal protective equipment, respiratory protective equipment, and sanitation, access to employee exposure and medical records and hazard communication. Further, these regulations and standards may not conflict with requirements and guidelines applicable to businesses set out and incorporated into **Sixth Amended Executive Order 67 and Amended Order of Public Health Emergency Seven.**

Effective Date of this Executive Order

This Order is in furtherance of Amended Executive Order 51 (2020) and **Sixth Amended Executive Order 67 and Amended Order of Public Health Emergency Seven (2020)**.

Further, this Order shall be effective 12:00 a.m., Monday, November 16, 2020, and shall remain in full force and effect until amended or rescinded by further executive order.

Given under my hand and under the Seal of the Commonwealth of Virginia and the Seal of the Office of the State Health Commissioner of the Commonwealth of Virginia, this 13th day of November, 2020.

Ralph S. Northam, Governor

M. Norman Oliver, MD, MA
State Health Commissioner

Attest:

Kelly Thomasson, Secretary of the Commonwealth
