

## ODACS STATE GOVERNMENT DAY UNLOADING AND PARKING INSTRUCTIONS

**Arrive early in order to give yourself plenty of time to park!** Before parking, groups traveling in vans or small vehicles may drop students at St. Paul's Episcopal Church, 815 East Grace Street, across from Capitol Square. *Note: Grace Street is now a two-way street.*

Vans and small vehicles can usually find parking easily and affordably at any number of parking garages or open air lots in the area. Parking in the basement of St. Paul's costs \$30. The further away the parking lot or garage is from the Capitol, the less expensive it becomes. One option is at 311 East Marshall Street or at the open air lot across the street. A van with a high profile may need to be parked in an open air lot.

Separate parking instructions for buses are attached.
