"This week has been exactly what I needed. I've been in a Christian school all my life, but never stood alone. I was always afraid of what people would think. Last night I decided to get things right with God. I just wish I would have taken a stand earlier."

— Student

"When I thought of the leadership conference I thought, 'Great, a vacation!' When I got here I really was struggling inside and I could sense Satan just trying to get me to rebel. Even in this, the Lord spoke to me about standing up for what's right."

— Student
